UNITED STATES PATENT OFFICE

147,712

DESIGN FOR AN AIRPLANE CONTROL WHEEL

Theodore F. Young, Attica, N. Y., assignor to Scott Aviation Corporation, Lancaster, N. Y., a corporation of New York

Application April 1, 1946, Serial No. 128,154

Term of patent $3\frac{1}{2}$ years

(Cl. D14—30)

To all whom it may concern:

Be it known that I, Theodore F. Young, a citizen of the United States, residing at Attica, in the county of Wyoming and State of New York, have invented a new, original, and ornamental Design for an Airplane Control Wheel, of which the following is a specification, reference being had to the accompanying drawing, forming part thereof.

In the drawing:

Fig. 1 is a top plan view of an airplane control wheel showing my new design;

Fig. 2 is a front elevational view; and

Fig. 3 is a side elevational view thereof.

I claim:

The ornamental design for an airplane control wheel, substantially as shown.

THEODORE F. YOUNG.
